
Don Julio 1942 Sale

Posted by The Tequila Guy - 2008/06/09 15:55

I get loads of these emails about "sales" on tequilas and usually just breeze right through.

This is one that I figured I better pass on to the masses.

Shoppers Vineyard is having a sale on Don Julio 1942 for \$76 a bottle. I've ordered from these guys before and they're pretty good. If you've been shopping for this and can get it shipped, now may be the time to splurge.

Here's their link:

Enjoy responsibly if you decide to purchase.
